ACME ALPHA Dog Whistle

The best dog whistles in the world. Sporting Saint is proud to be a main distributor.

Developed over four years in collaboration with World Champion Trainers to create an unrivalled whistle. Patented sound chambers offer a more efficient use of air. That means brighter sound giving you better command and a more responsive dog, close to and over distance. These all-new designs are effortless to blow and, because of that, give you the greatest flexibility to vary your breath, your whistling style and your choice of commands.

The all over comfort grip offers softness in the mouth and perfect handling in all conditions.

Over the fields and hills, on the beach, in your local park or at home this new range will ensure you lead your pack.

Field Trial Pro Slip Leads

Field Trial PRO Swivel Slip Lead £12.25

Small plastic spring loaded stopper, easily moves to and stays in the required position on the lead.

Looped handle | 1.2m length

5mm English Braid

Field Trial PRO Trigger Hook Lead £9.90

Designed and made using our usual Field Trial PRO 5mm braid, but instead of a slip on the end we have added a trigger hook so you can attach the lead to collars including our slip collar.

1.2m finished length | Looped handle

Field Trial PRO - Small Slip Collar £7.98

Small Lab /Cocker/Springer/suggested size is Small - Stretched out length approx. 18 inches

Field Trial PRO - Large Slip Collar £8.50

Large Lab/Retriever suggested size is Large - Stretched out length approx. 26 inches

The Field Trial Pro range is available in the following Colours
Orange Fleck, Red Fleck, Green Fleck, Olive (see colours on page 37)

Dog Leads and Accessories

Heeling Lead £7.94

With an 'Easy Grip' large toggle on the end, the heeling lead can be held on to with ease and picked up again when required. Short in length - 68cm, enabling the dog to be kept close to you while training to heel. When you feel your dog is ready to go it alone, simply drop the Heeling lead, it will then hang around the dog's neck (with no long lead bits dangling or getting tangled). When you need to, pick back up the toggle and you have your dog back at heel.

Slip Collar £4.50

The Slip Collar has been designed like the slip end of your standard slip lead. The slip collar can be placed over the dog's head and will place itself around the dog's collar area. You may then attach your choice of trigger hook lead to it.

Trigger Hook Leads £6.95

Designed using our usual braid, but instead of a slip on the end we have added a trigger hook so you can attach the lead to collars, including our slip collar | 1.2m finished length

The Slip Lead range is available in the following Colours
Nylon lead colours (see colours on page 40)

Dog Leads and Accessories

Figure of 8 Lead £9.74

This lead is both easy to use and very effective in controlling the dog that pulls. Simply place the lead over the dogs neck (ring to ear), then place the small loop up & over the dogs nose. Designed with the swivel inserted half way down the lead - ideal for slightly excitable dogs when they are moving around you, saves the lead becoming tangled around your hand. Looped handle, 8mm braid thickness, 1.5M long. Rubber Neck Stop - Great training aid.

Quick Release Collar with Slip Lead £12.98

Our best selling slip lead combined with a quick release nylon collar (Nylon collar is fully adjustable)

Allows you to free the collar from the dog simply by pressing a small lever.
